Fans/Blowers

**In Stock &
Ready to Ship**

A.C.T. Dust Collectors stocks many standard sizes of premium efficiency blowers / fans. Our top mount blowers are heavy duty, industrial grade spec units, specifically designed for dust collectors, and like our collectors, the blowers / fans are made in the USA.

- Direct Drive Backward Inclined Fans for Dust Collectors
- In Stock, Available Immediately
- Premium Efficient and Precision Balanced
- Designed to be installed directly on the fan inlet and draw air through the baghouse or cartridge type collector
- Steel Fan Wheel
- Top mount fans save floor space
